Be a Cultural Ambassador!

The Cultural Ambassadors program provides international students with an opportunity to educate UNC Charlotte students, faculty and staff about their culture and experience as international students in the US.

Typical Presentations

Typical presentations are in a panel discussion format and may take place in a classroom or at a staff meeting. A member of the ISSO staff will facilitate and panels may consist of 3-6 international students. Questions will be prepared and students will answer questions based on their own experiences and perspectives. At the end of the presentation, members of the audience may ask additional questions. To prepare for the presentation, several days before the event, panelists usually meet with the discussion facilitator and review the questions.

Student Application

Please return to ISSO in the College of Health & Human Services Bldg, Room 202c
